Federal Communications Commission
Office of Secretary

Dear Mr. Caton:

Re: CC Docket No. 92-237, Nominations for NANC Working Groups and Task Forces

Pursuant to the FCC Public Notice of October 4, 1996, in the above referenced docket, Pacific Bell submits its nominations to the North American Numbering Council's Work Groups and Task Forces.

Pacific Bell submits these written copies as requested by the Public Notice to the Secretary of the FCC. Pacific Bell also submits by e-mail to 1SIMMS@FCC.GOV, as requested by the public notice.

Should there be any questions regarding these candidates please contact John P. Bañuelos at (415) 542-4402. Please associate this material with the above referenced proceeding.

We are submitting two copies of this notice in accordance with Section 1.1206(a)(1) of the Commission's Rules.

Please stamp and return the provided copy to confirm your receipt. Please contact me should you have any questions or require additional information concerning this matter.

Sincerely,

No. of Copies rec'd

Pacific Bell's Nominations to the NANC Working Groups and Task Forces

Name: Steven Sposato
Title: Director, Advanced Communications Network
Company: Pacific Bell
Address: 2600 Camino Ramon, 2S151
San Ramon, CA 94583
Phone: (510) 823-5267
E-Mail: Sasposa@sysengr.PacBell.Com

Nomination: Local Number Portability Administration Selection Working Group

Experience: Long involvement and expertise in local number portability and participation in the California Local Number Portability Task Force. Steve is the chief network systems architect for local number portability for Pacific Bell.

#

Name: Stephanie Knutsen
Title: Director, Local Competition for Network Engineering
Company: Pacific Bell
Address: 2600 Camino Ramon, 3S903
San Ramon, CA 94583
Phone: (510) 823-8358
E-Mail: Saknut1@ccmial2.PacBell.Com

Nomination: Local Number Portability Administration Architecture Planning Task Force

Experience: Stephanie is an expert in switch engineering. She has been in network engineering for 11 years and in network operations for 16 years. She has oversight for the development, testing and implementation of the network aspects of local number portability.

Pacific Bell's Nominations to the NANC Working Groups and Task Forces

Name: Sandra E. Chueng
Title: Network Systems Engineer
Network Engineering
Company: Pacific Bell
Address: 2600 Camino Ramon, Office # 2S151
San Ramon, CA 94583
Phone: 510 823-9562
Fax: 510 867-3817
E-Mail: SECHEUN@PacBell.com

Nomination to: Local Number Portability Administration (LNPA) Technical and Operational Requirements Task Force

Experience: Ms. Cheung is well-suited as a candidate for the LNPA Technical and Operational Requirements Task Force. She represents Pacific Bell on the California Local Number Portability Task Force / Operations and Implementation subcommittee. This subcommittee addresses statewide LNP issues related to user and network interfaces, interoperability, and implementation.

She also represents Pacific Bell on the California Local Number Portability Task Force / Service Management System subcommittee. This subcommittee addresses issues related to the technical specifications for a regional database.

Ms. Cheung contributed to and edited the Request for Proposals issued by the Industry for a regional LNP SMS. She also has experience with the development and operation of SMS databases.

Pacific Bell's Nominations to the NANC Working Groups and Task Forces

Name: John P. Bafiuclos
Title: Numbering / Infrastructure - Regulatory Manager
Public Policy and Regulatory Group
Company: Pacific Bell
Address: 140 New Montgomery, room 2408
San Francisco, CA 94105
Phone: 415 542-4402
Fax: 415 543-7636
E-Mail: JPBANUE@Legsf.PacBell.com

Nomination to: North American Numbering Plan Administration Working Group.

also to: Transition Planning Task Force for Current NANP Administration Functions

alternative: Cost Recovery Task Force

Experience: Mr. Bafiuclos has been involved with numbering issues at a national and state-level for over five years as a policy manager for Pacific Bell. He has been Pacific Bell's representative to numerous numbering fora and industry workshops. He formulated and submitted to the California Public Utilities Commission Pacific Bell's proposal to transfer Central Office Code Administration to CPUC staff.

He is well-suited as a candidate for the North American Numbering Plan Administration Working Group and the Transition Planning Task Force by virtue of his involvement and contributions at the Future of Numbering Forum (FNF).

He is also suitable as a candidate for the Cost Recovery Task Force. He is Pacific Bell's project manager on cost recovery for NANP administration and Local Number Portability. He has a varied background in cost analysis, corporate finance, network engineering, and numbering administration.

Mr. Bafiuclos is also a member of USTA's Numbering Planning Subcommittee.

Pacific Bell's Nominations to the NANC Working Groups and Task Forces

Name: Bruce Bennett
Title: California Code Administrator

Company: Pacific Bell
Address: 2600 Camino Ramon, Office # 1S900V
San Ramon, CA 94583

Phone: 510 823-2880

Fax: 510 355-9268

E-Mail: none

Nomination to: Transition Planning Task Force for Central Office (CO) Code Administration Functions

Experience: Mr. Bennett is the Central Office Code Administrator for the State of California. He is well-versed in the administrator's role and responsibilities for each of the respective Central Office Code Administration guidelines that have been developed by the Industry.

He currently leads the Industry process of area code relief planning, (10 area codes are in various stages of planning, public hearings, local jurisdiction meetings, and implementation in the State of California.). He also coordinates with the California Public Utilities Commission, on the behalf of the Industry, on the review and adoption of area code relief plans.

Mr. Bennett also leads the Industry's efforts to develop extraordinary conservation measure and emergency conservation measures for the 4 jeopardy area codes facing premature exhaust, under the direction of the CPUC.

Mr. Bennet was also involved in the formulation Pacific Bell's proposal to transfer Central Office Administration to the staff of the California Public Utilities Commission.
